

# *English Revealed*

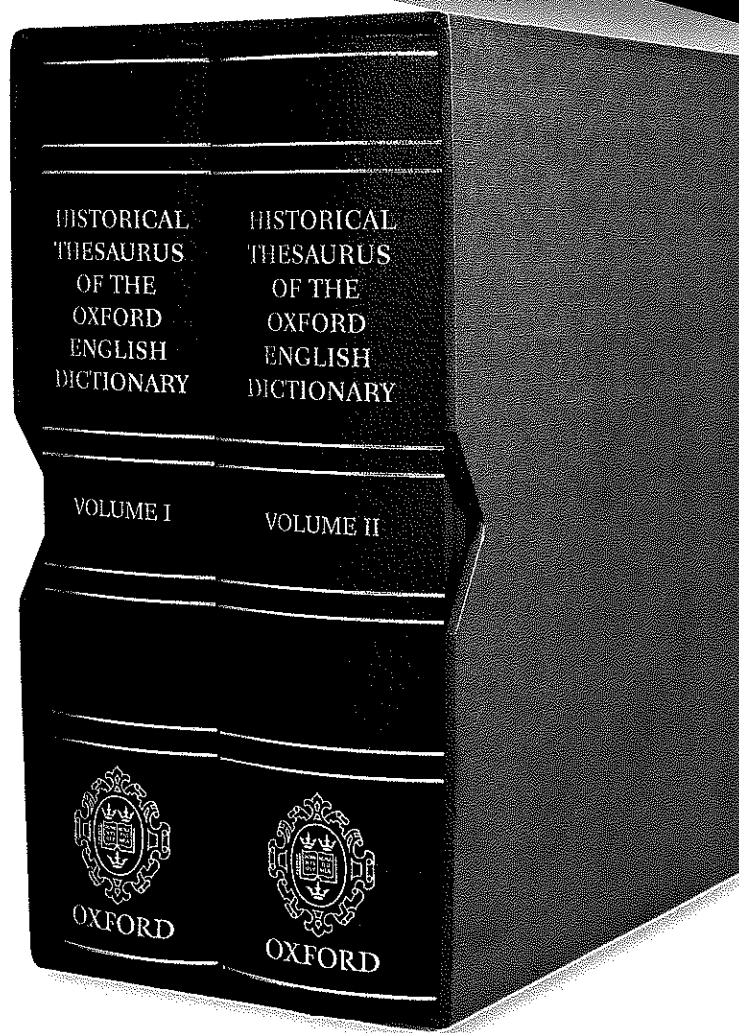

## **HISTORICAL THESAURUS** *of the Oxford English Dictionary*

**The largest  
thesaurus in  
the world,  
and the first  
historical  
thesaurus in  
any language**

The *OED* gave us individual trees, but never a sight of the whole forest or helpful pathways through it. The thesaurus does precisely that.

*David Crystal*

Honorary Professor of Linguistics at  
the University of Wales, Bangor

Publishing October 2009

**Introductory offer:**

£250 until 31 January 2010

(£275 thereafter\*)
